I have been traveling and interviewing for positions under me. Sorry for the delay in responding. I need a change to the script at the first ask level. I do not want the assumptive ask of "where do you want this mailed"? In order to move forward with data, that needs to be changed. I do not see changes needed on the postcards.

Subject: Revised Postcard Proofs

Hi Stacy,

Attached are the revised postcard proofs, where I've add a statement about using the alumni data for the directory and that if we do not hear from them, we are planning to print what we have on

file. Please keep in mind that we can also limit the amount of information we print in the directory for non-respondents (vs. respondents).

Please let me know if approved.

Thanks!

Rellen
